Agenda

- What are Teams apps

- Types of Teams apps

- Webhooks

- How to use it (yo teams)

- Demo

What are Teams apps?

- Teams apps are a combination of capabilities and entry points.

  Capabilities : Extension points for building apps

  Entry points : People can discover and use your app

Capabilities

- Capabilities are the extension points for building apps on the Microsoft

  Teams platform.
  - Tabs
  - Messaging extensions
  - Bots
  - <mark>Webhooks and connectors</mark>

Entry Points

- Provides a flexible set of entry points where people can discover and use your app

  - Teams

  - Channels

  - Group chats

Webhooks

- What are webhooks

- Why Webhooks

- Types of Webhooks
  - Incoming Webhooks
  - Outgoing Webhooks

Webhooks

What are Webhooks

- Why Webhooks

- Types of Webhooks

  - *Incoming Webhook - Demo*

  - *Outgoing Webhook - Demo*
